

What sells best?

At a Vintage Agricultural Sort Out most buyers are hoping to find something that might have been included in a farm clearance sale held over forty years ago. Tractors and stationary engines, spares, tools, implements, dairy equipment, sacks, literature, books, ephemera, poultry equipment, trailers, furniture, ex-military items, lorry spares and, of course, those miscellaneous items.

Some buyers will also be hoping to find rally transport or anything related to earlier leaf spring Land Rovers Series 1, 2, 2A, 3 and forward-control models. Spares, or even complete vehicles, will be accepted.

Goods on offer MUST be your property, used, or OLD unused items, or items made by you.

NO TRADE and no new items will be accepted.

IMPORTANT – PLEASE READ

All Sort Out pass holders (i.e. sellers) MUST carry out a meaningful Risk Assessment before participating.

To reduce overall risk THE FOLLOWING ITEMS ARE PROHIBITED:

- Generation, or use of electricity at any voltage over 30 volts.
- The use of disposable barbeques or gas appliances.
- Any form of welding.
- Any use of petrol or tools with sharp edges.
- Display, or setting off, of any type of flare or firework.
- Starting, or moving of vehicles or running of engines at the Sort Out **between 9.30 a.m. and 3.30 p.m.**

At the very least, your Risk Assessment needs to consider:

- The weather – risks from rain, wind, strong sunshine, and their effect on ground conditions.
- The lifting and carrying of heavy or sharp objects.
- Securing heavy objects to prevent them falling or trapping fingers.
- Any chemical hazards from products on sale.
- Precautions for older spares containing asbestos e.g. brake linings and friction materials.
- Snagging on protruding objects.

YOU MUST CONSIDER THE RISKS TO YOURSELF AND OTHER PEOPLE AND TAKE STEPS TO AVOID THESE RISKS.

Why this is the Sort Out for YOU

The *Sort Out* is held within the **Newark Vintage Tractor & Heritage Show**. The Show has an excellent reputation and the showground is particularly well located for the East Midlands, the North, East Anglia and anywhere North of London. The Show attracts some very interesting Land Rovers as well as many vintage exhibits.

Most of the tractor exhibits are under cover mainly in draught-free permanent exhibition halls. This year the main theme at the Show is Massey Ferguson 100 Series & Ford 1000 Series 6X range.

The Sort Out starts at 9.30 a.m. to fit in with Remembrance Sunday arrangements.

The Show is very popular with visitors – many travelling some distance to find what they are looking for, either at the *Sort Out* or elsewhere on the Showground. If you are selling you'll find plenty of customers who will appreciate the true value of what you have for sale.

All this from only £25!

To claim this deal **you need to book in advance so that we know you are coming.**

If you want to sell on both days why not book a Show stall yourself. Contact Rebecca on 01636 705796 or email Rebecca.Knight@newarkshowground.com to arrange. For larger items Brown & Co. of Brigg will be running an Auction at the Show on Saturday 11 November 2017. Contact Brown & Co on 01652 654833.

Gate security at Newark is tight and SELLERS MUST HAVE A PASS TO GET ONTO THE SHOWGROUND.

The *Sort Out* will be held in the open air so please bring suitable clothing and footwear in case of wind, rain or chill. Buyers of large or heavy items can load them onto their vehicles by arrangement later in the day when it is safe to do so.
