NEWARK VINTAGE TRACTOR & HERITAGE SHOW

Show Guide 2022

newarkvintagetractorshow.com

Welcome Back!

Once again, it's November and time to welcome you all to the Newark Vintage Tractor and Heritage Show at the Newark Showground, following on from the great success of last year's show after COVID.

We are pleased to say that we have just over 1100 entries this year including tractors, stationary engines, commercial and military vehicles and Land Rovers. So hopefully something for many enthusiasts to come and see and bring their family along. We are delighted that the remote-control vehicles are here again, and we are also still running the auction and sort out. Our new feature for this year is Tractor Pulling, where you can watch the Challenger Tractor Pulling Club putting on an action-packed two days of pulling at the Show! We hope you all enjoy watching it.

I must give a big thank you to the Show Team and the members of the Committee for their hard work in helping to put together what again looks like being a very successful event

**Roger Jackson, Chairman,
Newark and Nottinghamshire Agricultural Society.**

This event is organised by Newark and Nottinghamshire Agricultural Society (NNAS) – a registered charity dedicated to promote, celebrate and champion agriculture across the Midlands region.

Please note: This event is being photographed and/or videoed, your image may be used in connection with the advertising and promotion. Please let a member of staff know if you do not wish to be photographed.

Club Forewords

It is an honour that I have been asked to write this foreword and I wish to express a warm welcome to all exhibitors and visitors to one of the biggest Vintage Tractor and Heritage shows in the UK.

The show is a haven for the enthusiast, showcasing rare and valuable collections both large and small.

As Chairman of the National Vintage Tractor and Engine Club, and long time member of my local Meirionnydd NVTEC group, I consider myself to be in the company of a

Friends of Ferguson Heritage continues to be one of the leading vintage tractor clubs, providing a service to its members with technical information, tractor registrations, four high class magazines a year.

After suffering all the set backs brought on by the covid pandemic we are gradually getting back to normality taking part in most major shows throughout the country, we also support the Ferguson class at most of the major ploughing matches.

The vintage tractor scene still seems to grow in popularity as and when collective sales are held prices still exceed belief, the wonderful

The Ford & Fordson Association was founded in 2004 by Kelsey Publishing, when the Ford and Fordson Tractors magazine was exclusively available to members. In 2016 the Club became fully independent; Kelsey continued to publish the magazine with a dedicated Club section, the magazine becoming available to all via newsstands.

Club membership is world-wide. Member benefits include six magazines a year - keeping them abreast of club events and news, access to a licence to mix TVO fuel, free technical advice, together with a warm welcome at many events. See our website for information on subscription types and

JB BLASTING

Professional quality shotblasting and painting

Our specialists will remove rust, paint or scale from most materials including: Wooden Beams, Aluminium, Iron, Steel Soft Stone, Fireplaces, Brickwork and Masonry. The blasting process leaves an improved uniform finish which can be primed and painted in our workshop.

We restore many items such as Farm Equipment, Trucks and Trailers, Garden Gates and Furniture. For a hassle free service, we can come directly to you and carry out all the work on-site, or in our new blasting and painting booths.

Our work is fast and competitively priced.
No job too big or too small.
Call us now to discuss your requirements.
